

Coder et décoder un parcours

• Activité n° 1

1

Complète le parcours bleu, puis trace les parcours rouge et vert.

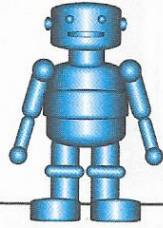

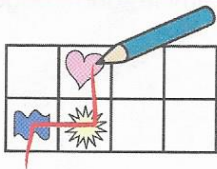

• Activité n° 2

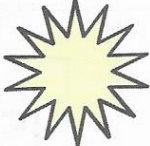

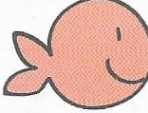

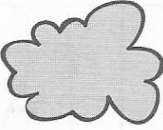

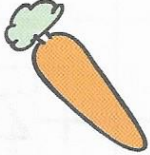

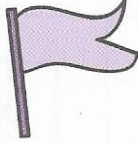

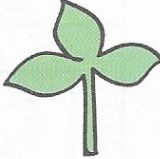

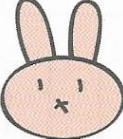

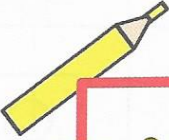

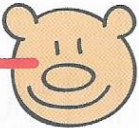

Colorie chaque parcours de la couleur qui convient.

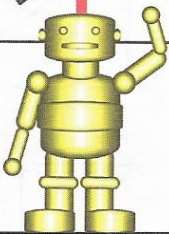

The activity consists of a 4x4 grid with three paths drawn across it. Below the grid are three rows of colored arrows, each starting with a small car icon. The green row has 10 arrows with directions: right, up, right, down, right, right, up, right, down, right. The red row has 10 arrows with directions: right, up, right, right, right, down, right, up, right, down. The blue row has 10 arrows with directions: right, right, up, right, down, right, up, right, right, right.

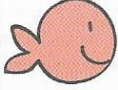

• Activité n° 3

Trace le chemin du robot jaune pour retrouver son ami le robot bleu.
